Building Character, Enriching Lives, Stretching Potential

# Partnership

**We hope to partner you in your child's development journey.**

1. Knowing your  
child

2. Developing  
your child

3. Keeping in touch  
with the school

## Partnership

Encourage Joy of Learning by

- not over-emphasising academic performance
- focus on your child's learning journey, rather than compare them to others

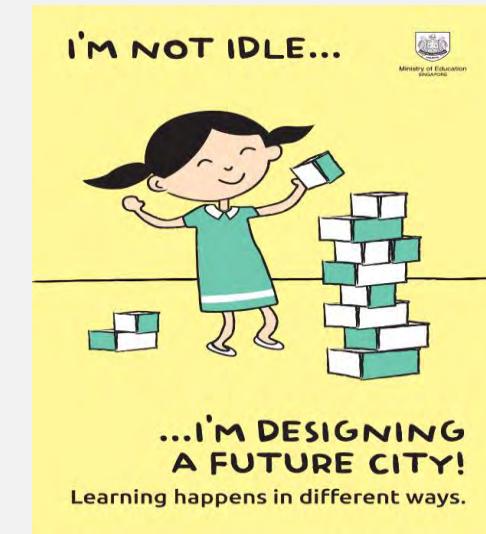

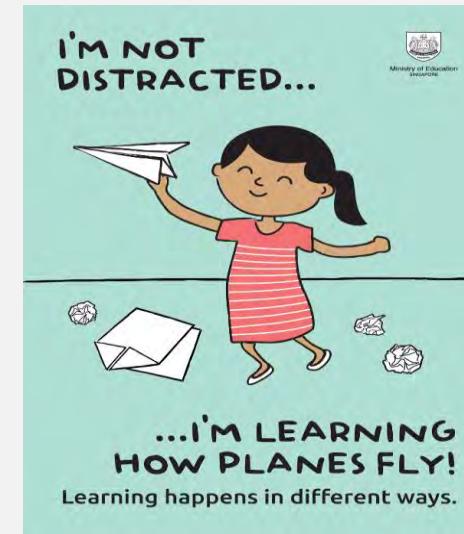

## Partnership

With these changes, your child will

- have more time and space to deepen learning
- better enjoy the process of learning
- develop dispositions for lifelong learning

## Partnership

Help to enhance your child's **mental & physical well-being** by;

- Guiding them in time management
- Getting them to follow routines
- Allowing them to learn to solve their problems

# Response Time from Staff

**For E-mail correspondence – 3-7-21 guideline applies**

- **3 Days** – Staff will reply within 3 days for straightforward matters
- **7 Days** – Staff will send a holding reply within 3 days for issues that require further investigation or consultation and respond within 7 to 21 days.

# Staff Well-Being

- Protect teacher's personal time
- Contact teachers during school hours only
- Via email or school phone

# The POSB Smart Buddy Programme

- Launched in Aug 2017, the POSB Smart Buddy Programme is the **world's first in-school wearable tech Programme** to enable a contactless payments ecosystem to help cultivate sensible saving and spending habits amongst young students.
- The POSB Smart Buddy Programme has since **received more than 10 international awards and accolades** for innovation, seamless digital payments and excellent customer banking experience.
- It has an **accompanying Smart Buddy mobile app** that allows parents to remotely manage their children's spending, savings and even set saving goals for their children, thereby helping their children cultivate saving habits in a digital and interactive way.
- The POSB Smart Buddy Programme also supports students who **receive school meal subsidies**, providing a **unified payment solution for every student**.
- The current Smart Buddy NETS payment terminals in schools accept the following cards:

Smart Buddy Card/ Watch <sup>1</sup>

School Smartcard/ EZ-Link Card <sup>2</sup>

POSB/ DBS ATM Cards (with NETS Contactless logo)

NETS Pre-Paid Card (NPC)

NETS FlashPay

Home Team NS PAssion POSB Debit Card <sup>3</sup>

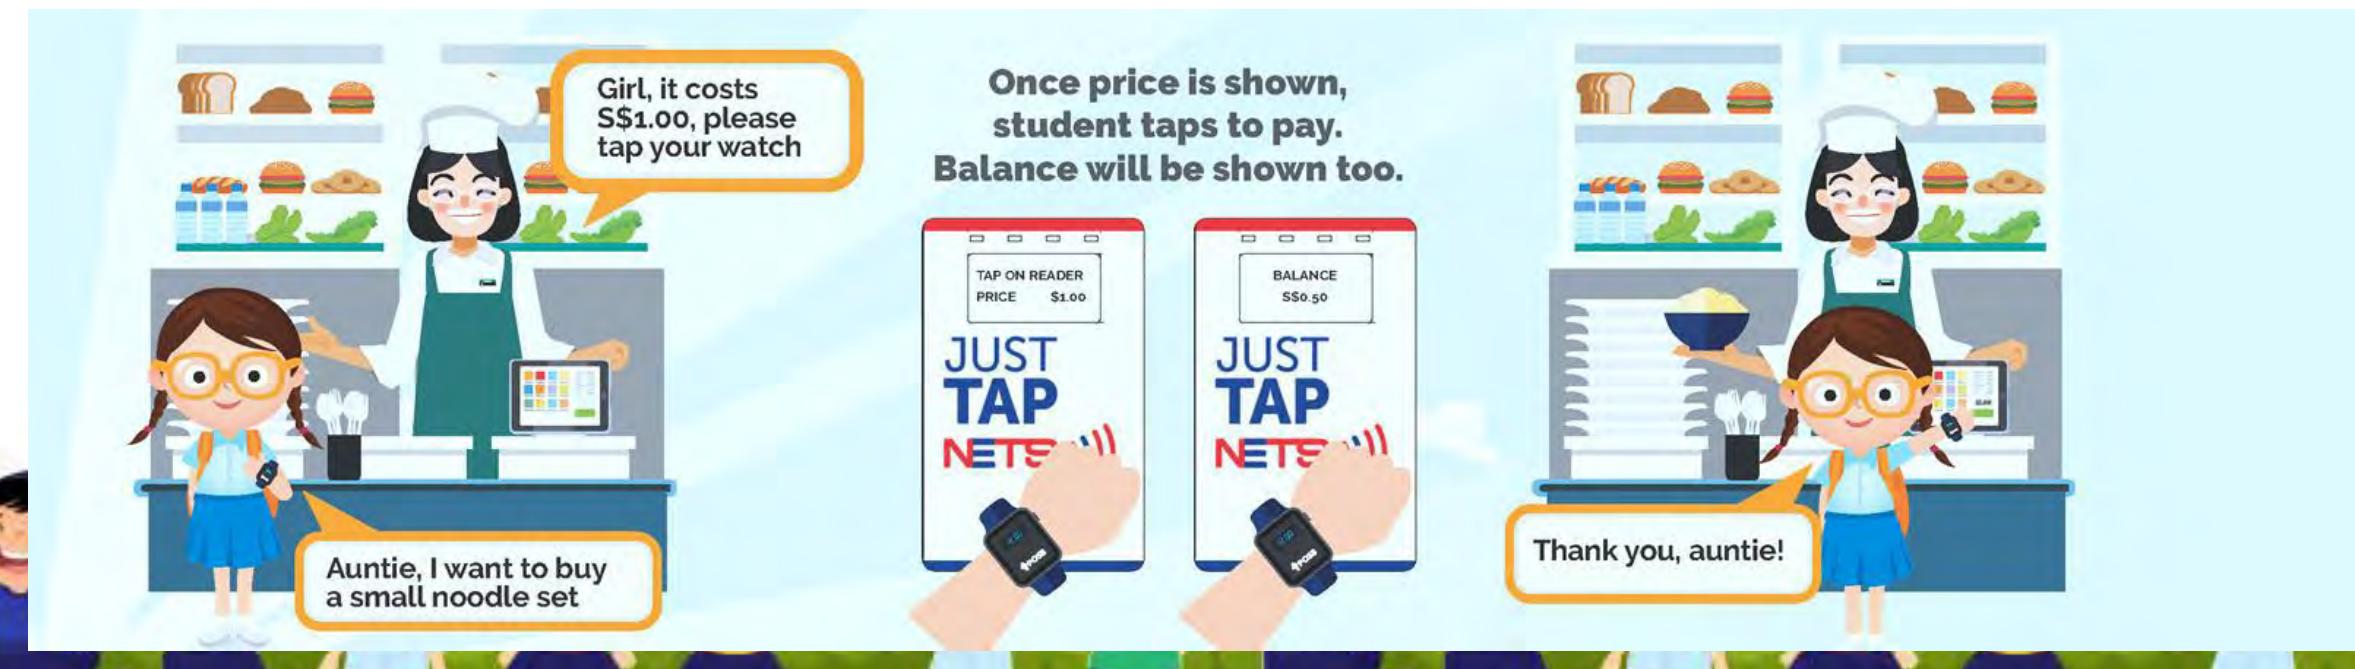

POSB PAssion Card (with NETS Contactless logo)

<sup>1</sup> Parent must have DBS/ POSB bank account  
PAS 2.0 cards currently

# The POSB Smart Buddy Programme

- With the growing adoption of e-payment in recent years, it would only be a matter of time for e-payment options to be introduced in schools. In fact, students are already exposed to e-payments on a daily basis (e.g., EZ-Link cards for transport and retail purchases).
- All MOE Schools will be invited to come onboard the programme progressively over the next 3 years.
- E-payment is optional, and cash will continue to be accepted.
- Students under Financial Assistance Scheme(FAS) will continue to receive their meal subsidies as per normal. (No changes)

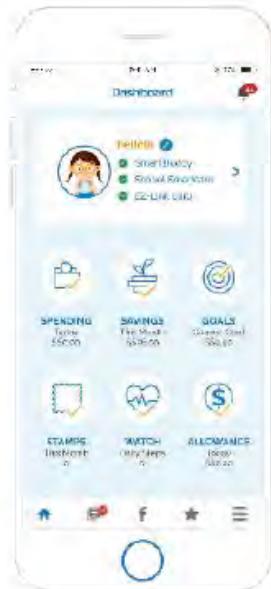

# What can you do with POSB Smart Buddy?

## For Parents:

Activate and manage your child's Smart Buddy with the mobile app.

### Features

# Higher MTL for P3 & P4

# What is the Purpose of Offering HMTL?

Higher Mother Tongue Language (HMTL) has been officially offered at P5 and P6 since 1992 for students who showed strong proficiency and interest in Mother Tongue Language (MTL).

**To further strengthen the learning of MTL from an early age, primary schools can offer HMTL across the 3 official MTLs from P3 onwards starting 2022.**

# What is P3 and P4 Higher HMTLs?

It is designed to enthuse P3 and P4 students who demonstrate the ability and interest to develop higher levels of MTL language proficiency and cultural knowledge.

# What is the Criteria?

1

## For P3 entry:

The school will use a set of qualitative descriptors (QDs) based on the P2 Mother Tongue Languages Learning Outcomes to determine students' MTL proficiency. Students offering HMTL at P3 and P4 should be proficient in their oracy skills and demonstrate strong foundation for literary skills.

# What is the Criteria?

2

## Evidence of students' performance throughout the year

Gathered information about students' learning through checkpoints such as on-going assessments or alternative assessments to further provide information on students' learning progress and inclination.

3

## Teachers' feedback and observations

To cover a whole range of performance, additional information about student's learning can be gathered from class discussions, class work and homework.

# Key Features of P3 & P4 HMTL Curriculum

Built on existing MTL curriculum:

Sustain students' interest and deepen their knowledge in their MTL

Enhance Reading and Writing skills

Expose students to age-appropriate literary texts

**Literary-based text.** Incorporation of age-appropriate literary-based text to provide an enjoyable early experience to ethnic literature.

**Exposure to higher-order thinking exercises** e.g. Enhance reasoning skills by eliciting students' response during classroom activities and discussions; Construction of new knowledge by making meaningful connections between texts and students' lives.

**Creative and fun-filled activities and games to teach language and cultural knowledge.** To sustain interest and extend knowledge.

# How are lessons carried out for HMTL at P3 and P4 level?

**MOE recommends 2 additional periods per week for HCL**

<b>For HCL</b>	For HCL, the textbook includes literary-based texts which would require <b>two additional periods</b> per week outside curriculum time to provide an enjoyable early experience to ethnic literature and cultural knowledge.
----------------	--

<b>For HML or HTL</b>	For HML and HTL at P3 and P4, school will <b>adopt differentiated instruction</b> in a mixed ability class during curriculum time.
-----------------------	--

## How would assessment look like for HMTL at P3 and P4 level for my child?

HMTL at P3 and P4 will be reflected as a non-weighted assessment. Non-weighted assessment refers to assessments where the scores will not form part of the computation of a student's overall results in a subject for the year. There will be no changes in the major exams.

The schools would also indicate your child' progress in HMTL in the Holistic Development Profile.

# **Can my child still offer HMTL at upper primary levels even if he/she did not offer it at P3 and P4 level?**

Your child could still offer HMTL at P5 and P6 level when he/she builds stronger proficiency and interest. The offering of HMTL from P3-P5 is a parental option whereas the offering of HMTL at P6 is a school-based decision. You are strongly encouraged to discuss with the school which course best suits the need of your child.

If my child decides to discontinue with HMTL during P3 or P4, will he/she be allowed to drop out?

To truly benefit from the HMTL curriculum at P3, he/she should offer HMTL for at least two years to ascertain his/her ability to cope with it. If the child really finds difficulty coping, he/she can drop HMTL anytime.

## SBB for P4

Building Character, Enriching Lives, Stretching Potential

For Primary Schools

# SUBJECT-BASED BANDING

Catering to Your Child's Abilities

# Primary 4

# Rationale for Subject-based Banding (SBB)

- Every child is unique, and has different aptitudes, capabilities and talents.
- SBB allows greater flexibility for students to take subjects at different levels depending on their aptitudes and abilities in these subjects.

# **How Subject-based Banding works**

## **At the end of Primary 4**

**School recommends** a subject combination based on the student's results.  
**Parents fill up an option form indicating preferred combination.**

## **At Primary 5**

**Your child takes subject combination chosen by parents**

English, Math, Science and Mother Tongue are available at standard and foundation level.  
Mother Tongue is also available at the higher level.

## **At the end of Primary 5**

**School decides** on the subject combination based on the student's results.

## **At Primary 6**

**Your child takes subject combination decided by the school**

# How Subject-based Banding works

End of Primary 5	
<b>Takes standard subjects and has difficulty coping</b>	<b>Takes standard subjects and is coping well</b>
School may allow child to take 1 or more subjects at foundation level at Primary 6	School will allow child to continue the same subject combination in Primary 6

# How Subject-based Banding works

At Primary 6

**Your child takes subject combination decided by the school**

End of Primary 6

**Your child sits for the Primary School Leaving Examination (PSLE)**

## Note :

- Parents can only exercise their option once at the end of Primary 4.
- Subject combination from Primary 5 to Primary 6 will be determined by the school in the best interest of the child.

# Higher Mother Tongue Language

## WHAT ARE SOME CHOICES AVAILABLE?

If your child (for P4 exam)	Your child may be recommended to take
Passes all 4 subjects and performs very well in Mother Tongue Language	4 standard subjects + Higher Mother Tongue Language
Passes all 4 subjects	4 standard subjects
Passes 3 subjects	4 standard subjects
Passes 2 subjects or less	4 standard subjects; or 3 standard subjects + 1 other foundation subject; or 2 standard subjects + 2 other foundation subjects; or 1 standard subject + 3 other foundation subjects; or 4 foundation subjects

Source: MOE Website <https://beta.moe.gov.sg/primary/curriculum/subject-based-banding/>

# Higher Mother Tongue Language

- At the end of Primary 5, only students with **AL4 (75-79 marks) or better** for MTL and pass HMTL continue to take HMTL.
